

Impact Fund Owner-Occupied Repairs PROGRAM ELIGIBILITY AND COORDINATION

Before allocating Impact Fund Owner-Occupied Repair funds to a household, that household must be assessed to determine whether it is eligible for other available owner-occupied rehabilitation programs. If feasible, the household must first utilize these programs before accessing Impact Fund through this award.

Upon analyzing above, if there are no other eligible programs for your homeowner(s), you may continue with your Impact Fund Owner-Occupied Repair Application. If they may be eligible for alternative sources, more research is necessary.
